### Representation & Warranties

The delivery and dumping of asbestos containing materials poses a serious health risk to workers and will result in significant damages to Salt Spring Garbage Service Ltd. Salt Spring Garbage Services Ltd is relying on the accuracy and the customers declaration in accepting drywall material for recycling.

By signing this form, the customer agrees to accept liability for ALL cost incurred by Salt Spring Garbage Services Ltd (including business interruption losses and losses in profit) that result from an incorrect declaration regarding the origin and content of the material declared above and that minimum liability for making such an incorrect declaration will be a payment of \$10,000 plus all clean up costs. Salt Spring Garbage reserves the right to ban any customer from the facility for falsely/incorrectly providing wrong information.
